Experience

Primewise Consulting

Oct 2023 - April 2024

Frontend Developer Intern

Remote

- Contributed to frontend development projects during internship tenure, focusing on React.js, Next.js, Node.js, Express.js, MongoDB, Rest API's, HTML, and Tailwind CSS.
- Assisted in the development and maintenance of web applications using React.js, Next.js for server-side rendering and Node.js/Express.js for backend functionality, ensuring robust performance and scalability.
- Collaborated with design and development teams to implement responsive HTML and Tailwind CSS, enhancing the user interface and optimizing user experience across various devices.
- Utilized Git for version control and GitHub for collaborative development, actively participating in code reviews and ensuring adherence to project requirements and time lines.

Solitaire Infosys

Aug 2022 - Oct 2022

Summer Internship in Angular

Mohali, Punjab

- Completed a comprehensive 45-day summer Internship program focused on Angular, gaining proficiency in building dynamic web applications.
- Acquired hands-on experience in utilizing HTML, CSS, and Bootstrap alongside Angular to create responsive and visually appealing user interfaces.
- Developed single-page applications (SPAs) using Angular, leveraging its powerful features such as components, services, and routing for efficient client-side navigation and data handling.

Projects

Authentication and User Profile System | [Source Code](#)

- Developed an authentication and user profile system using MERN stack, Tailwind CSS, and Cloudinary.
- Implemented user registration with OTP verification, login, profile update, profile deletion, and password reset functionalities.
- Designed and created RESTful APIs (POST, GET, PUT, DELETE) for efficient CRUD operations.
- Utilized Tailwind CSS for responsive and modern UI design.
- Integrated Cloudinary for secure and scalable image storage and management.

Shopping Website | [Site Link](#) / [Source Code](#)

- Developed a Shopping Web App using Angular, TypeScript, HTML, & CSS.
- Leveraged Angular components to create a dynamic and interactive user interface.
- Implemented essential features including Product Categories, Tab Filters, Search Bar, and Cart functionality.
- Ensured full responsive design to guarantee optimal viewing experience across various devices and screen sizes.

Education

Kurukshetra University

Kurukshetra, Haryana

Master's of Computer Application (GPA: 7.38)

Aug-2021 - Jun 2023

Dyal Singh College

Karnal, Haryana

Bachelor's of Computer Application (GPA: 7.01)

July-2018 - Jun-2021
